

Have You Been Diagnosed With Type 2 Diabetes?

If so, consider participating in a research study at Profil Institute for Clinical Research evaluating an investigational drug in people with Type 2 Diabetes. This study is not intended to treat a medical condition.

In order to qualify you must be:

- Taking Metformin
- Between the ages of 20 to 65
- If female, postmenopausal or surgically sterile
- Able to do up to 3 sets of 5 consecutive overnights

If you qualify you may be compensated up to \$5,758 for time and travel, depending on the amount of overnights completed.
